

C'ville Arts features:

The Studio Sale

During January

Join us for our annual studio sale! January is the month when our artists offer select works at lower prices, making it possible for anyone on any budget to acquire locally created artwork in support of Virginia artists.

Come in from the cold and warm up with a browse through our varied collection representing 62 local artists. It's also the perfect time to treat yourself by using that gift card you received over the holidays! Shop our wide variety of artistic styles from home décor to functional and wearable art.
